

## **Appendix C:**

### **GIS Shapefiles**

#### **(CARC Part 2)**

## List of Available Shapefiles

Data or Survey Type	Data Layer	Description/Source/Date	DEIS Figure(s)
Project Data	DockFacility_Options_Envelope.shp	Dock facility options envelope	multiple baseline & EIA figures
	Mine_Envelope.shp	Mine envelope (including mines, facilities, mine road and airstrip )	multiple baseline & EIA figures
	Road_AllSeason_North.shp	North All-Season road	multiple baseline & EIA figures
	Road_AllSeason_North_Envelope.shp	North All-Season road envelope	multiple baseline & EIA figures
	Road_Winter_North.shp	North Winter road	multiple baseline & EIA figures
	Road_Winter_North_Envelope.shp	North Winter road envelope	multiple baseline & EIA figures
	Road_Winter_South.shp	South Winter road	multiple baseline & EIA figures
	Road_Winter_South_Envelope.shp	South Winter road envelope	multiple baseline & EIA figures
	project_layout_revC.dwg	CAD file of Project Footprint	multiple baseline & EIA figures
	project_layout_revC.prj	CAD file of Project Footprint	multiple baseline & EIA figures
	RSA_soil_vegetation_wildlife_20101220.shp	Regional Study Area boundary for all terrestrial components (also known as the Regional Assessment Area boundary)	multiple baseline & EIA figures
	LAA_north_all_weather_road_20101116.shp	Local Assessment Area boundary for North All-Season road	multiple baseline & EIA figures
	LAA_north_winter_road_20101116.shp	Local Assessment Area boundary for North Winter road	multiple baseline & EIA figures
	LAA_south_winter_road_20101116.shp	Local Assessment Area boundary for South Winter road	multiple baseline & EIA figures
	LSA_soil_vegetation_wildlife_20080101.shp	Local Study Area boundary for soils, vegetation and wildlife (also known as the Local Assessment Area boundary)	multiple baseline & EIA figures
LSA_terrain_20110830.shp	Local Study Area boundary for terrain (also known as the Local Assessment Area boundary)	multiple baseline & EIA figures	
Habitat Zones of Influence	Zol_Caribou_Muskox_Mine.shp	Mine Zone of Influence for Caribou and Muskox: 0-7km = 2 habitat class reduction; 7-14km = 1 habitat class reduction	EIA 13.2-1, 13.2-2, 13.2-3, 13.2-4
	Zol_Caribou_Muskox_N_AWAR.shp	North All-Season road Zone of Influence for Caribou and Muskox: 0-1km = 2 habitat class reduction; 1-4km = 1 habitat class reduction	EIA 13.2-1, 13.2-2, 13.2-3, 13.2-4
	Zol_Caribou_Muskox_N_WinterRd.shp	North Winter road Zone of Influence for Caribou and Muskox: 0-1km = 2 habitat class reduction; 1-4km = 1 habitat class reduction	EIA 13.2-7, 13.2-8
	Zol_Caribou_Muskox_S_WinterRd.shp	South Winter road Zone of Influence for Caribou and Muskox: 0-1km = 2 habitat class reduction; 1-4km = 1 habitat class reduction	EIA 13.2-5, 13.2-6
